Our Mission

The mission of Greenwood School District 50 is to educate all students to achieve their full potential as responsible and productive citizens.

Statement of Beliefs

- **Education is the responsibility of the student, the family, the school, and the entire community working together.**
- **Children are valued as our greatest resource.**
- **Strong and effective teachers are essential for educational success.**
- **Employees of our district are regarded as our most valued asset in the completion of our mission to educate all children to their full potential.**
- **All students can learn to the best of their abilities with quality instruction and high expectations.**
- **All students deserve a quality educational experience where differences are recognized, respected, and addressed.**
- **Everyone is entitled to respect, encouragement, a safe and nurturing environment, and appropriate educational facilities.**
- **Children learn best when basic human needs are satisfied.**
- **Learning is a lifelong process that improves the quality of life.**
