

Dear District 50 Employee,

The spread of the Coronavirus Disease 2019 (COVID-19) is an ongoing issue for public health officials in our world and country.

Greenwood School District 50 is taking a proactive approach in dealing with the Coronavirus disease. Our district has gathered information about the virus and will follow the guidelines provided by the Department of Health and Environmental Control (DHEC) and the Centers for Disease Control (CDC).

While there are no active Coronavirus cases in our local area, our school administrators and nurses have been provided with the latest protocols and procedures from DHEC and the CDC. District 50 is taking all precautionary measures to protect the health and well-being of all our students and employees.

Information about the virus can be obtained through the links listed below if you have any questions or concerns. These links can also be found on our website.
