Greenwood School District 50 is committed to the principle of equal opportunity. It is the policy of the District not to discriminate on the basis of race, sex, color, national origin, religion, age, disability, or any other classification protected by applicable federal, state, or local laws. Please contact the Office of Human Resources or the Office of Administration at (864) 941-5400 if you have questions.

2019 Greenwood 50 Summer Camps

Hosted at Brewer Middle

ROBOTICS
Rising 4th-7th Graders

AERONAUTICS
Rising 8th & 9th Graders

MEDIA ARTS
Rising 9th & 10th Graders

Aeronautics Camp

Are you interested in model rocketry? This camp is for you! Students will be building and launching rockets as part of this exciting camp experience!

This camp is open to rising 8th and 9th grade students.

Robotics Camp

This camp offers exciting opportunities to be engaged in learning the basic principles of robotics, including design and operating features.

Activities will focus on problem-based learning through trial and error.

Robotics Camp will help improve and grow the creativity and scientific thinking of all campers, while having lots of fun!

This camp is open to rising 4th, 5th, 6th, and 7th grade students.

Media Arts

Interested in movie making and Photoshop digital editing? This camp will introduce you to the art of creating digital print work through the use of the latest media programs.

We will take a deeper look through the lens of a camera and take digital technology to the next level. This camp will involve creating videography projects by exploring documentaries, news, commercials, music videos, and short films.

Students will have opportunities to engage in photography and gain experience with usage of angles, camera acting and movement, storyboarding, music underscoring, and editing.

This camp is open to rising 9th and 10th grade students.
