

February News

A Few Reminders, A Few Requests

- As we continue to cruise through these winter months we have noticed that many of the students have some of the same hats, mittens, scarves, and coats. Please try to write their name on their articles of clothing so that we can make sure that everyone has what belongs to them.
- We have had a lot of sickness in our school, please remember that students must be fever and vomit free for at least 24 hours before returning to school so that we can hopefully help prevent the spread of illnesses.
- Please remind your child to do their best each day in school.

Friendship Day

ECC will celebrate Friendship Day on Friday, February 14th. If your child would like to send cards to school that day for his or her friends it will be fine. Our class has 12 boys and 8 girls.

Upcoming Units of Study

From Jungle to Desert/A Trip to the Desert/Letter Name /m/ and /s/
