

# 50 Care—Employee Assistance Program

**Eligibility**—employees, their spouses and immediate family members (children under 19 or children enrolled in college or vocational school who are under age 21) are entitled to the free service.

**50-Care is a program that is provided to all Greenwood School District 50 Employees as an employee benefit. The program is anonymous and confidential, meaning the district is unaware who uses the program each year. This allows an employee or family member to obtain free counseling services at no cost for a maximum of 5 visits per fiscal year.**

**Employee/dependents mental health benefits (offered through health insurance programs) may be used once the free sessions have been exhausted.**
